

# *Interested in starting, advancing, or changing your healthcare career?*

Join us for a Health Career Fair and Get Started Now!

**Tuesday, March 9, 2010 • 7:30 a.m. to 2:00 p.m.**

Sponsored by the Education Council at Research Medical Center, our goal is to enable interested persons to make informed decisions regarding starting or advancing a healthcare career. The mission of the Health Career Fair is to provide healthcare career information to all Research Medical Center and HCA Midwest Health System employees, as well as to the Greater Kansas City area community.

Representatives from a variety of healthcare-related educational facilities will be present to provide information about their programs and admission requirements. Opportunities for education-related financial counseling will also be available.

If you are interested in starting a healthcare career, advancing your current healthcare career, or changing to a different healthcare career, please take this opportunity to talk with educators who can help you start the journey.

The Health Career Fair will be located at Research Medical Center in classrooms J, K, and L on B level. For more information, call Gina Taylor at (816) 276-4639 or email [gina.taylor2@hcamidwest.com](mailto:gina.taylor2@hcamidwest.com).

2316 E. Meyer Blvd., Kansas City, MO 64132 • (816) 276-4000 • [www.researchmedicalcenter.com](http://www.researchmedicalcenter.com)
